

#### **Tesco Compare Terms and Conditions for Keylocator offer**

12 months free membership to the key recovery service provided for Tesco Compare customers by Keylocator, when you purchase car or home insurance through Tesco Compare. The policy must be purchased through the Tesco Compare website by clicking on the 'Buy Now' button or confirming your quote reference number when purchasing by phone. Offer excludes specialist home and car insurance policies purchased via Tesco Compare's Specialist Insurance links. If the policy is cancelled within two weeks of purchase the offer will no longer be valid. The Keylocator service only commences once customers have received their key tags through the post. Tesco Compare reserves the right to alter, amend or foreclose the offer without prior notice. Tesco Compare customers can 'opt-out' of this key recovery service by emailing [customer.service@tescocompare.com](mailto:customer.service@tescocompare.com) and advising us you do not require this service.

Please allow up to 60 days to receive your key fobs.
